

Welcome to our speaker's page where we can provide you with a hugely enjoyable and never-to-be-forgotten event, complemented by Celebrity Guests.

All events are organised by our consultant, Paul Fielding, former rugby player, Independent Financial Advisor and after-dinner speaker.

We specialise in sports dinners, featuring the great names from the world of sport as a major part of your entertainment for the event.

Our proposition is firmly underpinned by a sporting theme, however, we can provide speakers for all kinds of events, subject to availability and costs.
